## **LAKE ERIE SUMMER HOMES FOR RENT**

### **OUR BEULAH BEACH HOME**

Our wonderful three-bedroom home in Beulah Beach, Vermilion, Ohio, has a gorgeous beach, a brand new swimming pool, and great playground for the kids. It can accommodate a maximum of six people.

We are located within spitting distance of Cedar Pont, the Lake Erie Islands, Vermilion, Sandusky, Huron, Milan, Norwalk, the Great Wolf Lodge, Kalahari Water Park and the many wonderful wineries along Lake Erie.

Beulah Beach is a Christian campground with summer day camps for kids of all ages (up to 17). So you can sign your kids up for camp if you like, and have your days free while the kiddos are having the time of their lives at day camp. *(For additional information on the summer camps go to [www.beulahbeach.org](http://www.beulahbeach.org))*

### **OUR COZY VERMILION COTTAGE**

#### *The 3 Bedroom side.*

Our 3-bedroom cozy cottage has a very large master bedroom, two smaller bedrooms, large sun porch, kitchen, living room (with pull-out couch)/dining room and bath. It is charming, cozy and immaculate. The large private backyard abuts Lake Erie, and provides you with a break-front/patio at the lake that is perfect for fishing, swimming or just "sitting" by the water. There is a large park for the kids a short walk/bike ride down the street (and almost across from the Mayor's house), and a large, private backyard with swings and benches to watch the truly great sunsets and sunrises over Lake Erie. It can accommodate up to 6 people.

#### *The 1 Bedroom side.*

The one-bedroom side of our cottage is a mirror image of the 3-bedroom side - but we have combined the two smaller bedrooms of the three-bedroom side into a single large bedroom for the one-bedroom side. Like the three-bedroom side, our one-bedroom cottage is cozy, clean and charming. It is close to everything, and is a perfect and very affordable getaway for either a single person or couple wanting to spend a week on Lake Erie.

Our one bedroom side can accommodate up to two people. It is a wonderful getaway retreat.
