Welcome Back!!!

We kindly ask you adhere to all guidelines, such as staying seated at all times, staying home if you don't feel well, not moving tables or chairs, staying six feet apart at all times and leaving all food and drinks at your table if you need to get up.

We will seat you in groups up to 10 and a waitress will take your drink order and deliver it to your table.

Please be respectful of the fact we didn't make these rules up but it is our job to enforce them!
