2022 W.S.I.A. CLUB QUEEN

Margaret Lavelle

Margaret Lavelle is so proud to be named 2022 West Side Irish American Club Queen. She is the daughter and middle child of Michael and Anne Lavelle of North Olmsted, and sister to Mary Therese, Michael (Gerry), Sean, and Maeve. Margaret is the third generation of Lavelles to have the honor of representing the West Side Irish American Club as Queen. She is following the footsteps of her grandmother, Mary B. Lavelle (married to past club president Gerry) in 1973, her aunts Kathleen (McLouglin) in 1992 and Mary Bridget in 2009, and most recently her older sister Mary Therese (Donaldson) in 2015.

Margaret is a graduate of St. Bernadette Elementary School and Magnificat High School. During her time at Magnificat, she was actively involved in campus ministry and the Outreach program, where she was able to nurture her Catholic education and commitment to serving her community.

Margaret is a fourth year at the Ohio State University, studying speech and hearing sciences and graduating this spring. She chose this major due to her passion for helping others and wanting to apply her talents in science and compassion to benefit others. She is a proud Buckeye, following the footsteps of her older sibling alumni and acting as a role model for her younger brother while on campus together. After graduating this spring, Margaret will be attending graduate school to pursue a master's degree in speech-language pathology.

Margaret has marched with the WSIA in every St. Patrick's Day she can remember. She has marched down the avenue with the majorettes, flags, and the pom-pom units. She was proud to lead the pom-pom unit in 2017 and 2018 parade seasons. Her favorite memory from St. Patrick's Day is taking the annual family photo each year when she and her siblings are dressed in their marching uniforms.

In addition to her involvement with the WSIA, Margaret danced competitively with the Leneghan Academy of Irish Dance for 12 years, participating in numerous Feiseanna and the Mid-America Oireachtas. Margaret served as an apprentice for the school, and was able to help younger dancers advance their skills. Since starting college, Margaret has continued dancing with the Ohio State Irish Dance team, performing at various shows on and off campus and competing at inter-collegiate level competitions. She currently sits as President of the team, responsible for leading practices, choreographing dances, and facilitating shows.

Margaret would like to thank her friends and family for their unconditional love and support. She is so excited to celebrate her Irish heritage with the Cleveland community this St. Patrick's Day season!

2022 W.S.I.A. VOLUNTEER OF THE YEAR

Christi Cruz

Christi is the daughter of Robert and Kathleen Dreamer. She is second oldest, and the proud sister of Robert, Michael and Kelly. Christi is the granddaughter of Mary Ellen (McGinty) and Steve Mikanovich (deceased) and George (deceased) and Lillian Dreamer. Her love for her Irish heritage and the club was instilled in her from a young age as her family would bring her to the club for events and dances.

She grew up on the west side of Cleveland where she graduated from Saint Augustine Academy and finished her Bachelor of Arts Degree in History at Cleveland State University. After graduating college in 2006, she began her career at Marketing Communication Resource, Inc where she still works as a Data Analyst. In 2012 she married Jaime and together they have 3 children - Julicia, Jaime III and Nathan.

Christi has been a lifelong member of the West Side Irish-American Club. She began marching with the majorette unit and continued to both Pom-Pom and Ladies Drill Team. Over ten years ago Christi began volunteering with the Junior marching units and leads the charge on organizing sign ups, Co-Chairing the Junior Unit Exhibition Dance, and helping with the units on Saint Patrick's Day. During this early volunteering experience, she realized how important it was to the WSIA to dedicate time and talent back to the club. While she still volunteers her time to the Junior marching units, she is also heavily involved with the Night at the Races, Chairs the Annual Family picnic and can be seen on occasion helping with Friday night Pub Grub. In 2016 she and Heather Harvey became Co-Chairs of the Largest Fund Raiser at the club – The Annual (Thanksgiving Day) Raffle. In 2021 Christi was selected for the Board of Trustees and has worked on getting the clubs social media and website updated.

Christi wishes to thank the board for electing her as Volunteer of the Year and is honored to be recognized as a piece of the puzzle that makes up the West Side Irish-American Club.

2022 W.S.I.A. MAN OF THE YEAR

Vincent Beach

Vincent was born in 1980 in Flint, Michigan to parents Tom and Mary and is brother to Dr. Jordan Beach and Aimee Breetz. At an early age, the family moved to Cleveland and settled in Fairview Park where the children attended St. Angela Merici School and Fairview High School. Vincent went on to study Civil Engineering at the University of Cincinnati where he met his wife, Michelle. The couple moved back to Cleveland a few years after graduating, married, and bought the home in Columbia Township where they are raising their three children, Ambrose (12), Bernadette (11), and Cedric (7).

Vincent's Irish roots are through his grandmothers, Dorothy Ranville nee Wallace and Doris Beach nee Madden. It was Patrick Wallace who left Limerick in the 1840s and made his way to Ohio. From there the Wallace's continued their western migration ending in Ludington, Michigan where Dorothy served ice cream to vacationers and her brother, Lloyd, boxed anyone who wanted (or so they said) when not running the lake ferry to or from Manitowoc, WI. The fierceness never left. *Go ndéana Dia a mhaith orthu.*

The Maddens hail from Galway, made their way through Canada, and settled in Merrill Michigan. It was Doris's family, uncles, and cousins (Ryan's, Kennedy's, Fleming's) who built St. Patrick's Church, Ryan, Michigan. Years later, Doris was honored by the Flint AOH as Irish Mother of the Year for her devotion to family and St. Michael's Church, Flint. *Go ndéana Dia a mhaith orthu.*

Vincent's Irish heritage was sparked at the age of 18 when he was asked to play Gaelic Football for Cleveland St. Pat's. Despite his studies in Cincinnati, he would travel whenever possible to matches in Pittsburgh, Detroit, and Buffalo. It was also at the University of Cincinnati where he escaped the engineering and math of his major to learn the Irish language with Dr. Edgar Slotkin. To continue his *Gaeilge* journey, he entered the National University of Ireland, Galway's Irish language immersion program in An Ceathrú Rua, Galway. He also worked at farm in Gort an Doire, Uachtar Ard, Galway. It was hard to leave a whole summer in the Gaeltacht. Upon returning to Cleveland, Vincent studied and taught Irish language with Bob Carney at Speak Irish Cleveland.

Today, Vincent continues his *grá* (love) for Gaelic Games and Irish along with his father, Tom (GAA board member), and wife, Michelle (footballer), through the Cleveland St. Pat's-St. Jarlath's Gaelic Athletic Association. The GAA's work at the WSIA supports Irish culture through sports. With Kevin Hayes, he co-hosts the annual Night at the Races for the benefit of the WSIA and GAA. Throughout the spring and summer, the GAA has and will host other events at the WSIA, including field capital improvement projects, adult hurling and football practices, youth practices and official mens' and ladies' football, hurling and camogie matches. Each month's events are captured in his Irish (formerly Ohio Irish American News) articles. Vincent is the current Chairperson of the Cleveland GAA, is a hurler and footballer, and is a youth coach to many including the Allstars, Ambrose, Bernadette, and Cedric. Life is busy, but that is ok – we are only given so much time.

Vincent and the Beach family would like to thank the WSIA for the continuous backing, and all the families, players, volunteers, and supporters of Gaelic Games and culture. Cleveland Abú (/uh boo/ - forever).

2022 W.S.I.A. CLUB WOMAN OF THE YEAR

Colleen Hansen

Colleen Hansen is the daughter of Rosemary (nee Kilbane) and John Smyth, who was born in County Clare, Ireland. Both parents are deceased. She has three siblings, Kevin, Karin, and Colin (deceased).

Colleen attended St. Joseph Academy, majoring in secretarial practice and shorthand. She graduated in 1976.

After graduation, Colleen worked for Stephen J. Knerly, a domestic relations attorney for six years.

Colleen married George Hansen in 1981. Together George and Colleen were blessed with three beautiful children, Kelly, Scott (deceased) and Christopher. George Hansen died in 2006. Colleen has a 2-year-old grandson in California.

In 1988 Colleen attended Jane Addams School of Nursing. After a 29-year career in nursing, Colleen retired in 2017. She started volunteering at the West Side Irish-American Club, and became a part of McDonough's Brigade.

Colleen's hobbies are swimming, bowling, and playing pinochle.

Colleen is honored to be chosen as the 2022 Woman of the Year! She wishes everyone a healthy and happy St. Patrick's Day!

WORD HAS IT..... From Your McNeeley Library

"The Ides of March". A phrase you don't hear much these days. What is the meaning? Did you know Shakespeare is responsible for the phrase? That's right; when he wrote the play "Beware the Ides of March" it made March 15th a notable date known more for Caesar's death and the dark, gloomy, ominous side of the time. It actually referred to the first new moon of a given month, which fell between the 13th and 15th day of the month.

Here we are little more than two months into 2022 and we have our very own Ides of March. We are still dealing with the Covid viruses. Many are shopping from home to avoid it. Ok, so we are making the Amazon world happy. But recently we've been advised we can inter-mingle more. Wow, maybe we can go shopping, attend church or visit Grandma as long as we wear our masks and be sure to wash, wash, wash our hands. Of course, first you have to figure a way to get out of your driveway. I used to have a double drive until the snowplows kindly used half of it to pile up the other half of the snow. But they did plow even though, like many others, we were penned in our houses multiple days until they finally got to us. While we were penned in, we could worry about poor old Mr. Brown trying to shovel his sidewalk without having a heart attack. If only four cars were stuck in the snow drifts, sure you can probably get by them safely without burying your own car. You finally make it out, get to the store parking lot, and there it is, more big piles of snow covering the limited parking spots. And then there are the pets in the house, especially the dogs. You open the door to put them out, they look at you like "Are you nuts? That's a five-foot wall there, and I only have this little round spot to use? Please don't punish me when this stuff melts". Let's just have a cuppa and read the newspaper. Oh, its at the end of the driveway. We can go on and on about it, many a story to be told. It's winter in Ohio folks. Happy "The Ides of March".

Congratulations to all the honorees for St. Patrick's Day 2022 from the McNeeley Library Committee.

Good health, good reading,
Rose Conley
