Garden News

Now that summer is coming to a close and the gardens are nearing the end of their growing season, a big **THANK YOU** to all who have been coming out to help maintain the grounds, to all who have picked up after us and disposed of all the debris, to the cooks in the kitchen who have fed us during lunch and those who made sure we were hydrated.

As we prepare for the cooler weather, the gardeners will be out preparing the grounds for the winter months, and before you know it, Spring will arrive and we will be back to do it all again in 2023.

There are 10+ gardens on the grounds at the I-A and each year it gets a little more difficult to maintain with the handful of volunteers that are on our committee. We hope to see new faces in the spring to help take the burden off of our small group. We come out on Tuesday's, which we refer to as "volunteer day", but if that is not a good day or time for you, you can come out any day or evening that will suit your schedule. We really need your help.

Enjoy the coming Autumn season.

Sincerely,
The Garden Committee
