WORD HAS IT..... From Your Library

Thankful. This is a word that we will hear a lot this month of November, because we celebrate Thanksgiving in November. Are you thankful? Many things give us reason for thankfulness; family, health, a baby, a new house. Sometimes the little things make us thankful. I am thankful for something that happened to me, a simple thing made me very content and happy. Having not traveled for four years due to care of my late husband and restrictions of Covid, which stopped our lives in general, I had the opportunity to visit a friend of mine in another state. Just driving in the car, viewing our lovely country, made me thankful. Being able to be free again and travel made me thankful. There are things we cannot change happening all around us; it upsets us, we pray for better, we help where we can, we put on our happy face and move forward. The past is behind us. The present is here, we do our best with a happy heart. The future is unknown to us, but we can hope and strive and pray for a tranquil future. **Be Thankful.**

Happy Thanksgiving

Our annual car show held on Wednesday, September 21, was another success despite the weather predictions all day for severe storms coming in. The weather held up and proved the forecasters all wrong with no rain, sunny skies, and warm temps. Attendance was down from last year with only approximately 40-50 cars being in the parking lot. Frank "Elvis" Worley brought his best for the live show performance. A hearty thank you goes out to the following volunteers without whose help this could not have been made possible, including Kevin McDonough's Brigade (Kevin, Marge Flynn, Mary Pat Kerr, Mo Dorsey, Fred Mertes, Barbara Shepard, Mary Ellen Grealis, Maureen Lavelle, Dan & Diana Flick), bartenders Cathy Franzinger & Ken Urban, 50/50 ticket sellers Helen Malloy & Mary Lou McNally, Annual Raffle ticket seller Heather Harvey, and my friend Diane Hatfield, who took money at the gate. Thank you again for your participation and support.

I have decided not to post any photos from the show and just kept it simple. Any questions/comments, please let me know

It was about 27 years ago that the Telephone Pioneers started a program to recycle bicycles for children in need throughout Cuyahoga County. Jim Caffrey, who was a board member and deeply involved with the IA, dedicated himself to this cause and encouraged the membership to donate bikes that were no longer being used. It was so successful that one IA member alone donated over 50 bicycles!

People would bring the bikes to the club and Steve Pevec, a Pioneer volunteer, would make arrangements for someone to come to the IA to pick them up and a team of volunteers would then refurbish the bikes and donate them to various schools and organizations.

It is with deep regret that the team of Pioneers can no longer perform this task and therefore had to close up shop, It is with a heavy heart that I must pass this information on to you, that we can no longer accept donations.

I can't thank you enough for all the donations you have made over the years and to the Pioneers who worked tirelessly to make so many children happy.

*Sincerely,
Josephine Caffrey*

There are so many members that support the club in so many ways, may it be in the volunteers who chair annual events, or those who dedicate their time each Tuesday working inside the club cleaning, cooking, the office staff, the “behind the scenes” individuals, those working outside on the grounds or in the garage keeping our equipment operational. These are endless tasks and we can’t thank you enough for all your help.

AT GROUND LEVEL - Now this is really playing in the dirt, or should I say mud!

Our donated front-end loader has really gotten a workout over these past few weeks. These men are actually pulling trees and brush out of the water and creating a path that will eventually be ready for individuals to wander around the pond and enjoy the beauty of our grounds.

The men that have been working diligently week after week are Dave Crowley, Andy Dever, Dan Ewry, Mike Heneghan, Pat Leneghan, Marty McCafferty, Pat Malloy, Tom Nagel, John O’Brien, and we must not forget Jack Flynn who works endlessly in keeping all the equipment up and running.

Just for Fun

A Senior's Version of FACEBOOK

For those of my generation who do not, and cannot, comprehend why Facebook exists: I am trying to make friends outside of Facebook while applying the same principles. Therefore, every day I walk down the street and tell passers-by what I have eaten, how I feel at the moment, what I have done the night before, what I will do later and with whom. I give them pictures of my family, my dog and of me gardening, taking things apart in the garage, watering the lawn, standing in front of landmarks, driving around town, having lunch, and doing what anybody and everybody does every day. I also listen to their conversations, give them "thumbs up" and tell them I "like" them. And it works just like Facebook. I already have 4 people following me: 2 police officers, a private investigator and a psychiatrist.
